Quick Service & Paradise POS

Paradise POS offers a cutting-edge iOS-based point of sale software for technology savvy businesses who demand a best-in-class mobile solution for their business needs.

- iPad Ready
- Easy to Learn Interface
- Outstanding Tech Support
- Mobile Access

FEATURES

CUSTOMIZABLE MENU

Customize menu screens to make the ordering and checkout process intuitive, simple, and accurate. Easily modify or change menu items, pricing, promotions, or specials to attract new customers. The Paradise POS training team will work with you and your staff to optimize your menu for your unique business needs and show you how easy it is to change your menu whenever you want.

- Item Maintenance
- Modifier Maintenance
- Combo Groups

DELIVERY & TO GO

Paradise POS allows you to quickly create delivery orders from past orders as well as give you the ability to charge a fee with delivery orders. Delivery tickets are also printed with a QR code that is tied to Google Maps for turn by turn directions. We also give you the ability to mark a ticket as a To Go order as well as charge either a Flat Rate or Percentage fee on your To Go orders.

GIFT & LOYALTY

Offer gift cards customized with your logo as well as incentivize repeat business with our loyalty program. Assign a point value for each dollar spent to reward your customers for the more they spend.

ADDITIONAL FEATURES

- Quickly Approve Credit Cards
- Repeat Item Button
- Quantity Button
- Ticket Commands

*Station configuration differs per merchant due to diverse needs; station pictured is not indicative of what you may receive.
