# Quick Service

## FAST & SIMPLE CHECKOUT

Paradise POS offers semi-integrated payment processing, so credit card data never hits the POS; it all stays in the terminal. This means you are less susceptible to data breaches and you have secure, encrypted transactions.

## DELIVERY & TO GO

Paradise POS allows you to quickly create delivery orders from past orders as well as give you the ability to charge a fee with delivery orders. Delivery tickets are also printed with a QR code that is tied to Google Maps for turn by turn directions. We also give you the ability to mark a ticket as a To Go order as well as charge either a Flat Rate or Percentage fee on your To Go orders.

## GIFT & LOYALTY

Offer gift cards customized with your logo as well as incentivize repeat business with our loyalty program. Assign a point value for each dollar spent to reward your customers for the more they spend.

## ADDITIONAL FEATURES

- Customer Facing Display
- Repeat Item Button
- Quantity Button
- Ticket Commands
- Scale Integration
