

ORDER & PAY AT THE TABLE

Use our table service point of sale solution to take orders quickly and accurately, reduce wait times and settle checks with ease. The PAX A60 is perfectly suited to mobile and pay-at-the-table applications.

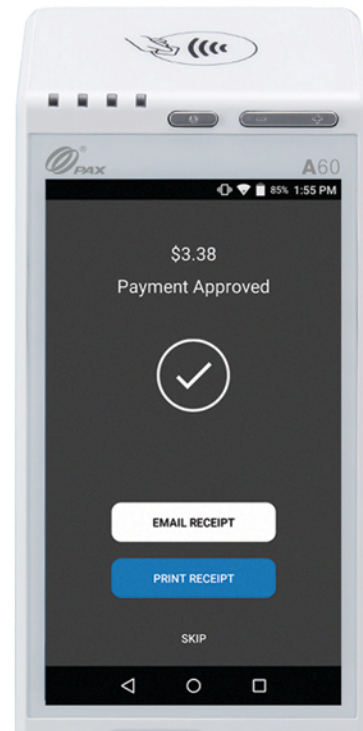

Paradise POS's all-in-one pay at the table solution allows your customers to pay at the terminal on their own, or pay their ticket with their card never leaving their sight.

The PAX A60 combines the full features of an Android tablet with a powerful payment terminal, all in a sleek and compact design.
