An Optimized Logistics Network You Can Trust

You work hard to keep your beauty business running smoothly, so why shouldn't your third-party logistics provider work just as hard? Put your products in the capable hands of PGS360 and elevate your supply chain with world-class warehousing, technology-driven fulfillment, customized kitting and assembly, and more.

Warehousing

One team, multiple sites. With strategically located warehouses nationwide, we keep your supply chain moving at the speed of business. From real-time inventory to inbound services and storage, PGS360 has you covered.

Fulfillment

Whether eCommerce or B2B, our data-driven fulfillment services ensure your product shines. With custom packaging, consolidation, document prep, and pick-and-pack, we deliver a seamless, multi-channel experience.

Kitting & Assembly

Custom packaging has never looked so good! With PGS360, you'll have peace of mind knowing that everything from cosmetics samples to gift sets is being kitted, assembled, and fulfilled by industry experts.

Transportation & Logistics

We offer full truckload (FTL) and less-than-truckload (LTL) transportation services with cross-border shipping into Canada, expedited air freight, route optimization, and real-time shipment tracking that keeps you in the know.

Let Technology Lead the Way

From seamless API integrations with top online retailers like Amazon to our innovative Warehouse Management System (WMS) that provides seamless inventory visibility, PGS360 is leading the way in technology-driven logistics. Upgrading your supply chain with a more modern strategy will make scaling your business easier than ever.

Ready For a **More Streamlined** Approach to Logistics?

Being the best beauty industry 3PL provider didn't come easy. We worked hard to get here and are ready to pour that same dedication into growing your business.
